2020 Census Deadline Extended to October 31

The final deadline to complete the 2020 Census has been extended to Oct. 31 amid the COVID-19 pandemic. You can respond online, over the phone, by mail, or in person. Door-to-door operations that were temporarily suspended in March have now resumed across the state.

Please complete your census! The decennial census is a simple 10-question form whose results determine how more than \$800 billion in federal funds will be distributed in communities across the nation, including over \$7 billion per year in New Mexico. The funding supports roads, schools, healthcare, public safety, and essential service programs like the Supplemental Nutrition Assistance Program and National School Lunch Program.

Research suggests that for every New Mexico citizen unaccounted for accounts for a loss of approximately \$3,745 every year.
