

Hello Friends and Colleagues,

In its ongoing effort to ensure JTIP's effectiveness in the creation of new jobs for New Mexicans in expanding businesses, the JTIP board is initiating its annual policy amendment process wherein existing policy is reviewed and amendments are considered. Proposed policy amendments will be presented and discussed at the public policy hearing on May 13, 2022 and as always, public comment will be heard.

The proposed policy changes are posted on the NM EDD website <https://edd.newmexico.gov/business-development/edd-programs-for-business/job-training-incentive-program/> and published in the April 5, 2022 issue of the New Mexico Register for 30 days. Additional public feedback will be requested at that time. The board will decide on which items they will take action on at the annual board retreat following the public hearing. They will adopt the changes at the May 20th JTIP board meeting to become effective for FY 2023 on July 1, 2022.

As always, your input is much appreciated. Please don't hesitate to contact me with any questions you may have.

Kind regards,

Patrick Gannon
