This Week's Highlight:

N.M. Wildfire Business Assistance Grant Program

Eligible businesses can qualify to receive between \$5,000 and \$20,000.

The money available is repurposed from the EDD's Collateral Assistance Program (CAP), which utilizes federal funding.

Businesses that qualify for priority assistance must be inside the boundaries of the Presidential Disaster Declaration for the Big Hole, Calf Canyon/Hermit's Peak, Cooks Peak, and McBride fires. Those areas are Colfax, San Miguel, and Mora Counties, parts of Lincoln County (ZIP codes 88345 and 88312) and Valencia County (ZIP code 87002); and regions of Sandoval and Los Alamos Counties impacted by wildfire and evacuations.

[Apply online.](#)

The program will close when funds are exhausted or on Dec. 1, 2022.

Community Resources

NEW! [Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants](#)

Promotes a community-wide commitment to ending homelessness; providing funding to quickly re-house homeless individuals, families, persons fleeing domestic violence, and youth, while minimizing the trauma and dislocation caused by homelessness; and promoting access to, and effective utilization of, mainstream programs; and optimizing self-sufficiency. **Deadline: Sept 30.**

NEW! [Diesel Emissions Reduction Act \(DERA\) Tribal and Insular Area Grants](#)

Promotes an array of diesel emissions strategies by working with manufacturers, fleet operators, air quality professionals, environmental and community organizations, and state and local officials to address the varying priorities of different regions and sectors. DERA supports environmental justice by prioritizing emissions reductions in areas receiving disproportionate impacts from diesel fleets to provide an environment where all people enjoy the same degree of protection from environmental and health hazards. **Deadline: Oct 26.**

NEW! [The Rural eConnectivity Program](#)

Provides loans, grants, and loan/grant combinations to facilitate broadband deployment in rural

areas. **Deadline Oct 4.**

[NEW! Conservation Technical Assistance: Grazing Lands Conservation](#)

The goal of this funding is to expand the delivery of conservation technical assistance to support grazing planning and conservation practice implementation and monitoring, conferences and other education, demonstrations, producer networks, workforce training, research, and outreach projects to improve agricultural resilience. **Deadline: Sept 22.**

[NEW! Grid Hardening State/Tribal Formula Grant Program](#)

DOE has built a \$2.3 billion grant program to strengthen and modernize America's power grid against wildfires, extreme weather, and other natural disasters that are exacerbated by the climate crisis.

Deadline: Sept 30.

[NEW! San Pedro Corridor Creative Placemaking Contest](#)

Individuals with a personal connection to Albuquerque's San Pedro Corridor, between I-40 and Central Avenue, and the adjoining neighborhoods are invited to submit their ideas for celebrating and enhancing the corridor via inexpensive, small-scale placemaking projects.

[NEW! Service-Disabled Veteran Entrepreneurship Training Program \(SDVTEP\)](#)

This announcement invites proposals for funding eligible private and nonprofit organizations, state, local and tribal agencies, and institutions of higher learning to further build their capacity to market and deliver their existing entrepreneurship training program(s) to service-disabled veteran, veteran entrepreneurs, and Reserve Component members who aspire to be small business owners or currently own a small business. SBA anticipates making up to six awards, each valued between \$50,000 and \$150,000. **Deadline: Aug 18.**

[Tribal Self-Governance Planning Cooperative Agreement Program](#)

Provides resources to Tribes interested in entering the Tribal Self-Governance Program (TSGP) and to existing self-governance Tribes interested in assuming new or expanded programs, services, functions, and activities. **Deadline: Aug 31.**

[Partnership to Advance Conservation Science and Practice](#)

Supports conservation research that investigates organismal biology, ecology, and/or evolution and is designed to contribute to the development and implementation of evidence-based activities and/or technology solutions to advance biodiversity conservation. **Deadline: Oct 11.**
