# **I. INTRODUCTION**

## **A. PURPOSE OF THIS REQUEST FOR PROPOSALS**

The purpose of the Request for Proposal (RFP) is to select a State Fund Manager (CONTRACTOR) to manage a statewide Healthy Food Financing Initiative (HFFI). The NM Economic Development Department (EDD) seeks an administrative partner State Fund Manager to assist in the roll out of a new pilot, the Healthy Food Financing Fund (HFFF). This will be a community capital fund that is intended to provide patient, flexible capital to a range of food enterprises across all sectors who meet the mission criteria established by an Equitable Food Oriented Development working group and the HFFI.

The optimal program design is a Public-Private Partnership (PPP) between the New Mexico Economic Development department, a Community Development Financial Institution with a proven track record working in New Mexico.

The contractor will design an investment fund that will provide grants and lending capital to support the development or enhancement of healthy food projects and other food system interventions in areas that do not have adequate access to healthy food.

EDD expects the new fund – New Mexico Healthy Food Financing Fund (NM HFFF) – to provide flexible capital using both traditional and innovative financing models such as character based lending and integrated capital. Initial research points to a capital gap in the food financing ecosystem, for investment needs typically ranging between \$50,000 and \$500,000, to viable but not fully bankable, mission-aligned businesses in the early stage to growth stages, and/or those established businesses seeking to incorporate sustainable agricultural practices into their food system business models.

The program will seek to achieve the following:

1. Engage New Mexico businesses, nonprofit stakeholders, and residents to address market failures that leave communities in New Mexico without access to healthy food
2. Provide integrated capital (grants and loans) support to food businesses impacted by COVID-19 to ensure that amidst the pandemic, low-income and underserved communities can maintain healthy food access.
3. Stimulate investments in lower-income communities and in food retailing businesses that are owned by and or serve individuals who are from historically marginalized communities including communities of color, Tribal communities, underserved areas with low- and moderate-income populations, rural communities, and women- and minority-owned businesses.
4. Remove financing obstacles and operating barriers for grocery stores and other healthy food retail in lower income communities.
5. Strengthen the local food system and increase market opportunities for New Mexico farmers and agricultural producers and manufacturers.
6. Support the creation and preservation of jobs.

7. Increase collaborations between healthy food retail projects, food system interventions, and community-based organizations.

## **B. BACKGROUND INFORMATION**

### ***Equitable Food Oriented Development***

Equitable Food Oriented Development (EFOD) is a development strategy that uses food and agriculture to create economic opportunities, healthy neighborhoods, and explicitly seeks to build community assets, pride, and empowerment by and with historically marginalized communities. EFOD is a framework, and growing movement, to reap the powerful benefits of food projects and enterprises as vehicles for community development and health, while investing deeply in the self determination and leadership of community residents. Focusing on investment in local food development will further increase access to healthy food and build on the expertise of leaders in these communities.

### ***Accessing Healthy Food in New Mexico***

- Too many families in New Mexico experience food insecurity. 1 in 6 people and 1 in 4 children in the state have limited or inconsistent access to nutritious food. New Mexico's children have one of the highest rates of food insecurity in the United States.
- Nearly 1 in 5 New Mexicans live below the poverty level with Black, Indigenous, and people of color in the state more likely than white people to earn low incomes.
- Diet-related diseases affect many in the state. Heart disease is the leading cause of death, and, in 2017, 220,000 New Mexico adults had diabetes and 549,000 had prediabetes.

### ***Access to Credit and Capital***

Growing small businesses have the power to promote community wellbeing by creating new jobs, offering health benefits to their employees, building stable and supportive workplaces, and in some cases, providing healthy goods and services directly to neighborhoods that would otherwise lack access.

Food businesses tend to have high start-up costs. According to the U.S. Department of Commerce Minority Business Development Agency, inadequate access to financial capital continues to be an essential constraint limiting the growth of female and minority-owned businesses across all business types. In traditional credit markets, "minority-owned businesses are found to pay higher interest rates on loans. They are also more likely to be denied credit and are less likely to apply for loans because they fear their applications will be denied."

Farmers and ranchers in New Mexico are not immune to the same biases that small businesses in other industrial sectors experience. Small producers frequently experience the same challenges as small non-agricultural businesses, including lack of collateral, insufficient cash flows, poor credit, or lack of credit history. Investing in a food-economy through the Healthy Food Financing Fund to drive capital to under-invested communities and small food businesses depends on the ability to aggregate capital at scale. Establishing a Healthy Food Financing Fund is a tested model for deploying capital to meet the needs of businesses and communities.

Healthy Food Financing initiatives are viable, proven and economically sustainable solution to:

- Bring fresh, affordable food to under-served urban and rural communities
- Create and retain jobs, generate tax revenues and capture local spending
- Expand market opportunities for local farmers, grocers, and healthy food entrepreneurs

### ***The National HFFI Program***

The Healthy Food Financing Initiative (HFFI) is a public-private partnership administered by Reinvestment Fund on behalf of USDA Rural Development to improve access to healthy food in underserved areas. America's HFFI was established by the 2014 Farm Bill and reauthorized in 2018. As the HFFI national fund manager the Reinvestment Fund raises private capital, provides financial and regional technical assistance to regional, state, and local partnerships and channels capital to fund eligible projects that improve access to healthy foods in hard-to-reach, underserved communities. To date, over \$220 million has been distributed through HFFI bringing jobs, economic development, and healthy food to lower-income communities across the country. HFFI's public private partnership model has leveraged an estimated \$1 billion in additional resources, loans, tax incentives, and investments from financial and philanthropic partners. It has supported nearly 1000 grocery and other healthy food retail projects in more than 35 states across the country, revitalizing economies, creating jobs, and improving access to healthy food.

### ***Place-Based Models***

The Pennsylvania Fresh Food Financing Initiative (FFFI), the model for the federal HFFI, was seeded with \$30 million from the state. The FFFI created or retained over 5,000 jobs, approved financing for 88 grocery and other fresh food retail projects and resulted in investments totaling \$190 million. Several states and metropolitan areas have since launched financing programs dedicated to bringing fresh and healthy food to communities, including California, Colorado, Houston, Illinois, Kansas, Massachusetts, New Jersey, New York, Ohio, Louisiana, Mississippi, and western Tennessee. The Federal program has been critical in launching many of these programs providing seed capital and the credibility necessary to secure additional resources.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations, 1.4.1.5 & 1.4.1.36 NMAC.

## 7. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
  1. confidential financial information concerning the Offeror's organization; and
  2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7 NMSA 1978.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Section III.B.2.a, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

**IMPORTANT:** The price of products offered or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

## **8. No Obligation**

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

## **9. Termination**

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

## **10. Sufficient Appropriation**

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

## **11. Legal Review**

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

## **12. Governing Law**

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

## **13. Basis for Proposal**

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

## **14. Contract Terms and Conditions**

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as

nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

## **15. Offeror's Terms and Conditions**

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

## **16. Contract Deviations**

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

## **17. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85 NMSA 1978.

## **18. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

## **19. Change in Contractor Representatives**

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

## **20. Notice of Penalties**

The Procurement Code, §§13-1-28 through 13-1-199 NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

## **21. Agency Rights**

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

## **22. Right to Publish**

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

## **23. Ownership of Proposals**

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency or SPD.

## **24. Confidentiality**

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

## **25. Electronic mail address required**

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror must have a valid e-mail address to receive this correspondence. (See also Section II.B.5, Response to Written Questions).

## **26. Use of Electronic Versions of this RFP**

## **27. New Mexico Employees Health Coverage**

- B. Offeror must agree to maintain a record of the number of employees who have (a) accepted health insurance; (b) decline health insurance due to other health insurance coverage already in place; or (c) decline health insurance for other reasons. These records are subject to review and audit by a representative of the state.
- C. Offeror must agree to advise all employees of the availability of State publicly financed health care coverage programs by providing each employee with, as a minimum, the following web site link to additional information: <https://bewellnm.com>.
- D. For Indefinite Quantity, Indefinite Delivery contracts (price agreements without specific limitations on quantity and providing for an indeterminate number of orders to be placed against it); these requirements shall apply the first day of the second month after the Offeror reports combined sales (from state and, if applicable, from local public bodies if from a state price agreement) of \$250,000.

## **28. Campaign Contribution Disclosure Form**

Offeror must complete, sign, and return the Campaign Contribution Disclosure Form (APPENDIX B) as a part of their proposal. This requirement applies regardless whether a

Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars (\$60,000.00) with any state agency or local public body for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor's company:

However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.
- E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. Table 1: Evaluation Point Summary

## **B. EVALUATION FACTORS**

### **1. B.1 Organizational Experience (See Table 1)**

Points will be awarded based on the thoroughness and clarity of Offeror’s response in this Section. The Evaluation Committee will also weigh the relevancy and extent of Offeror’s experience, expertise and knowledge; and of personnel education, experience and certifications/licenses. In addition, points will be awarded based on Offeror’s candid and well-thought-out response to successes and failures, as well as the ability of the Offeror to learn from its failures and grow from its successes.

The more experience the CONTRACTOR has with similar projects and the types of assistance for implementing the HFFI program, the better the CONTRACTOR will be able to implement and manage the program. Therefore, an applicant's score under this criterion will be commensurate with the applicant's experience in and understanding of:

*Type of projects.* The Agency will consider the applicant's experience with projects that increase access to nutritious food and markets for impacted producers/ under-invested producers. Other experience associated with relevant HFFI-related projects/fresh, healthy food retail business enterprises, including regional food systems and locally grown foods, will help boost an applicant's score.

*Size of each project.* CDFIs with experience in only (or mainly) large projects may not be well suited to support small projects and vice-versa. Experience with a variety of project

sizes helps show desirable capabilities. Therefore, the Agency will consider an applicant's experience with various size projects. Experience with a wide variety of project sizes will help boost an applicant's score.

*Entities served.* The Agency will consider the level of experience the applicant has in providing assistance to underserved areas with low wealth, low-income populations; women-owned businesses; and minority-owned businesses. More experience in providing assistance to such entities will help boost an applicant's score.

*Type of assistance.* Successfully provide grants, loans, loan loss reserves, tax credits and/or other financing tools envisioned under the HFFI program. Demonstration of the types of Technical Assistance that will most benefit underserved areas with low-income populations; rural communities; tribal communities; women- and minority-owned businesses; and local or regional food systems. Experience across all types of assistance envisioned under the HFFI program and experience that is more evenly spread across the types (rather than being concentrated in one type of assistance) will help boost an applicant's score.

An applicant's score under this criterion will also be commensurate with qualifications of the applicant's management team (including experience related to financial management, healthy foods, experience with government agencies and offices, demonstration of the CDFI's financial stability, how long the CDFI has been in existence, and the CDFI's strategy for being a successful Statewide Fund Manager. In addition to the material supplied by the applicant, the Agency may use current Department of the Treasury data on the CDFI to assess the applicants' financial stability. By applying for this position, the applicant is consenting to the Department of the Treasury's release of such information to the Agency for the purpose of evaluating your application.

The CONTRACTOR may enter into contracts in order to better implement the HFFI program (*e.g.*, in servicing loans or grants once awards are made; providing technical assistance in a specialized topic). Even though the extent the CONTRACTOR will need to enter into such contracts in order to implement the HFFI program is unknown and is likely to vary from CDFI to CDFI, an applicant's score will be commensurate with its experience in administering multiple contracts and subcontractors. Demonstrating an understanding of barriers faced by HFFI and successful and innovative approaches to overcome such barriers will help boost an applicant's score. Management experience relevant to healthy foods, especially in connection with public-private partnerships; underserved areas with low- and moderate-income populations; rural communities; tribal communities; and women- and minority-owned businesses will also help boost the applicant's score under this criterion.

## **2. B.2 Financing/Capital**

The ability of the CONTRACTOR to manage capital will be critical to funding HFFI projects. In addition, the Agency anticipates that the HFFI program will be a large program, and the experience of the CONTRACTOR in successfully managing and administering large amounts of capital in a cost-efficient manner will be important. An applicant's score under this criterion will be commensurate with the applicant's:

- Experience in successfully managing large pools of capital in a cost-efficient manner, including management fees; and
- Approach for incorporating diversified capital, including private investment and federal sources for this HFFI effort and for making successful HFFI investments, especially in rural areas.

### **B.3 Outreach and Collaboration**

If people do not know about the HFFI program, few will apply and the HFFI program will not be successful. Therefore, it is critical that there is a good roll-out of the HFFI program. A CDFI with good, established relations is more likely to be able to leverage that experience for better program implementation. Outreach and collaboration will be primary responsibilities of the Agency. The CONTRACTOR will assist the Agency and local food access organizations who will also provide valuable assistance.

In evaluating applicants for the CONTRACTOR position, the Agency will score applications commensurate with the applicant's:

- Experience with community stakeholder groups comprised of most impacted communities, and approaches to reaching out to underserved areas with low-income populations, rural communities, tribal communities, women- and minority-owned businesses, and local or regional food systems that will be served by the HFFI program and the effectiveness of such approaches;
- Successful collaboration with CDFIs, local food access organizations, and other stakeholders to market such programs;
- Proven track record in working with governmental agencies, including the New Mexico Economic Development; and vision of the role that national organizations, regional or place-based philanthropy and other healthy food stakeholders should play in support of the HFFI program, its approach to accessing these stakeholders, and how the CONTRACTOR will work with them in order to facilitate HFFI investments.

### **3. C.3 Letter of Transmittal (See Table 1)**

Pass/Fail only. No points assigned.

### **4. C.4 Campaign Contribution Disclosure Form (See Table 1)**

Pass/Fail only. No points assigned.

### **5. C.5 Oral Presentation (See Table 1)**

Points will be awarded based on the quality, organization and effectiveness of communication of the information presented, as well as the professionalism of the presenters and technical knowledge of the proposed staff. Prior to Oral Presentation, Agency will provide the Offeror a presentation agenda. (If no Oral Presentations are held all Offerors will receive the maximum amount of total points for this Evaluation Factor).

**6. C.6 Cost (See Table 1)**

The evaluation of each Offeror’s cost proposal will be conducted using the following formula:

$$\frac{\text{Lowest Responsive Offeror’s Cost}}{\text{Each Offeror’s Cost}} \times \text{Available Award Points}$$

**7. C.7. New Mexico/Native American Resident Preferences**

Percentages will be determined based upon the point-based system outlined in § 13-1-21 NMSA 1978 (as amended).

**A. New Mexico Resident Business Preference / Native American Resident Preference**

If an Offeror has provided a copy of its New Mexico Resident Preference Certificate or Native American Resident Preference Certificate, the points awarded will be calculated as 8% of the total points available in this RFP.

**B. New Mexico/Native American Resident Veteran Preference**

If an Offeror has provided a copy of its New Mexico Resident Veteran Preference Certificate or Native American Resident Veteran Preference Certificate the points awarded will be calculated as 10% of the total points available in this RFP.

**C. EVALUATION PROCESS**

1. All Offeror proposals will be reviewed for compliance with the requirements and specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
2. The Procurement Manager may contact the Offeror for clarification of the response as specified in Section II. B.7.
3. Responsive proposals will be evaluated on the factors in Section IV, which have been assigned a point value in Section V. The responsible Offerors with the highest scores may be selected as finalist Offerors, based upon the proposals submitted. In accordance with §13-1-117 NMSA 1978, the responsible Offerors whose proposals are most advantageous to the State taking into consideration the Evaluation Factors in Section V will be recommended for award (as specified in Section II.B.12). Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.

**The Agreement included in this Appendix C represents the contract the Agency intends to use to make an award. The State of New Mexico and the Agency reserve the right to modify the Agreement prior to, or during, the award process, as necessary.**

STATE OF NEW MEXICO

**(NAME OF AGENCY)**

PROFESSIONAL SERVICES CONTRACT # \_\_\_\_\_

THIS AGREEMENT is made and entered into by and between the State of New Mexico, **NAME OF AGENCY**, hereinafter referred to as the “Agency,” and **NAME OF CONTRACTOR**, hereinafter referred to as the “Contractor,” and is effective as of the date set forth below upon which it is executed by the General Services Department/State Purchasing Division (GSD/SPD Contracts Review Bureau).

IT IS AGREED BETWEEN THE PARTIES:

**1. Scope of Work.**

The Contractor shall perform the following work:

**2. Compensation.**

A. The Agency shall pay to the Contractor in full payment for services satisfactorily performed at the rate of \_\_\_\_\_ dollars (\$\_\_\_\_\_) per hour (OR BASED UPON DELIVERABLES, MILESTONES, BUDGET, ETC.), such compensation not to exceed (AMOUNT), excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Agreement totaling (AMOUNT) shall be paid by the Agency to the Contractor. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (AMOUNT). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the Agency when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.**

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the GSD/SPD. All invoices MUST BE received by the Agency

no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

(—OR—)

**(CHOICE – MULTI-YEAR)**

A. The Agency shall pay to the Contractor in full payment for services satisfactorily performed pursuant to the Scope of Work at the rate of \_\_\_\_\_ dollars (\$ \_\_\_\_\_) in FYXX (USE FISCAL YEAR NUMBER TO DESCRIBE YEAR; DO NOT USE FY1, FY2, ETC.). The New Mexico gross receipts tax levied on the amounts payable under this Agreement in FYXX totaling (AMOUNT) shall be paid by the Agency to the Contractor. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (AMOUNT) in FYXX.**

(REPEAT LANGUAGE FOR EACH FISCAL YEAR COVERED BY THE AGREEMENT -- USE FISCAL YEAR NUMBER TO DESCRIBE EACH YEAR; DO NOT USE FY1, FY2, ETC.).

B. Payment in FYXX, FYXX, FYXX, and FYXX is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the GSD/SPD. All invoices MUST BE received by the Agency no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the Agency finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the Agency that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the agency shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

**3. Term.**

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This Agreement shall terminate on **(DATE)** unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

**4. Termination.**

A. Grounds. The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency's uncured, material breach of this Agreement.

B. Notice; Agency Opportunity to Cure.

1. Except as otherwise provided in Paragraph (4)(B)(3), the Agency shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency's material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Agency; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the Agency's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

D. Termination Management. Immediately upon receipt by either the Agency or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

## **5. Appropriations.**

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

**6. Status of Contractor.**

The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the State of New Mexico. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

**7. Assignment.**

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Agency.

**8. Subcontracting.**

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

**9. Release.**

Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

**10. Confidentiality.**

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

**11. Product of Service -- Copyright.**

All materials developed or acquired by the Contractor under this Agreement shall become the property of the State of New Mexico and shall be delivered to the Agency no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

**12. Conflict of Interest; Governmental Conduct Act.**

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

1) in accordance with NMSA 1978, § 10-16-4.3, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any Agency employee while such employee was or is employed by the Agency and participating directly or indirectly in the Agency's contracting process;

2) this Agreement complies with NMSA 1978, § 10-16-7(A) because (i) the Contractor is not a public officer or employee of the State; (ii) the Contractor is not a member of the family of a public officer or employee of the State; (iii) the Contractor is not a business in which a public officer or employee or the family of a public officer or employee has a substantial interest; or (iv) if the Contractor is a public officer or employee of the State, a member of the family of a public officer or employee of the State, or a business in which a public officer or employee of the State or the family of a public officer or employee of the State has a substantial interest, public notice was given as required by NMSA 1978, § 10-16-7(A) and this Agreement was awarded pursuant to a competitive process;

3) in accordance with NMSA 1978, § 10-16-8(A), (i) the Contractor is not, and has not been represented by, a person who has been a public officer or employee of the State within the preceding year and whose official act directly resulted in this Agreement and (ii) the Contractor is not, and has not been assisted in any way regarding this transaction by, a former public officer or employee of the State whose official act, while in State employment, directly resulted in the Agency's making this Agreement;

4) this Agreement complies with NMSA 1978, § 10-16-9(A) because (i) the Contractor is not a legislator; (ii) the Contractor is not a member of a legislator's family; (iii) the Contractor is not a business in which a legislator or a legislator's family has a substantial interest; or (iv) if the Contractor is a legislator, a member of a legislator's family, or a business in which a legislator or a legislator's family has a substantial interest, disclosure has been made as required by NMSA 1978, § 10-16-7(A), this Agreement is not a sole source or small purchase contract, and this Agreement was awarded in accordance with the provisions of the Procurement Code;

5) in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6) in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Agency.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the Agency relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the Agency if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Agency and notwithstanding anything in the Agreement to the contrary, the Agency may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

**13. Amendment.**

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

**14. Merger.**

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

**15. Penalties for violation of law.**

The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

**16. Equal Opportunity Compliance.**

The Contractor agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

**17. Applicable Law.**

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

**18. Workers Compensation.**

**19. Records and Financial Audit.**

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Agreement's term and effect and retain them for a period of three (3) years from the date of final payment under this Agreement. The records shall be subject to inspection by the Agency, the General Services Department/State Purchasing Division and the State Auditor. The Agency shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments

**20. Indemnification.**

The Contractor shall defend, indemnify and hold harmless the Agency and the State of New Mexico from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the Agency and the Risk Management Division of the New Mexico General Services Department by certified mail.

**21. New Mexico Employees Health Coverage.**

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Contractor certifies, by signing this agreement, to have in place, and agree to maintain for the term of the contract, health insurance for those employees and offer that health insurance to those employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceed \$250,000 dollars.

B. Contractor agrees to maintain a record of the number of employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the state.

C. Contractor agrees to advise all employees of the availability of State publicly financed health care coverage.

**22. Invalid Term or Condition.**

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

**23. Enforcement of Agreement.**

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

**24. Notices.**

Any notice required to be given to either party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:

## APPENDIX D

### COST RESPONSE FORM

#### Cost Response Form Guidance:

Use this Appendix to create a table, form, space/line, budget outline, etc. on which Offerors will submit their separate Cost Proposal. Keep in mind the following:

- **Consider how you need cost submitted.**
  - Do you need a detailed budget table, a list of prices for goods and services, just a line for an hourly/monthly rate, or something else?
  - Will your RFP require Offerors to respond to different or separate categories, which will each have unique and separate cost requirements?
  - Do you need to include a separate line item for estimated NMGRT, local options tax, etc. taxes?
- **Provide the Offerors with instruction on:**
  - how to complete the cost
    - EXAMPLE: “Offeror must provide costs for each and every line item included in the budget table provided.”;
  - what the cost must include
    - EXAMPLE: “All costs provided by the Offeror must include all labor materials, equipment, travel, training, transportation, configuration, installation and profit.”;
  - any limitation(s) on the cost
    - EXAMPLE: “The Agency will not pay any additional charges outside of the hourly rate provided by the Offeror.” OR “The Offeror shall not add categories or line items to the budget table provided. It must be completed as-is.” OR “Offeror’s proposed cost shall not be used to replace Offeror’s already-budgeted funds for the proposed project.”; and/or
  - whatever else might be appropriate.
- **Consider how long the resulting contract will be in place.** If your contract will be in place for multiple years, is asking for one year’s budget, or one year’s rates, enough for the length of the contract? Do you need an escalation clause in case of unforeseen cost increases? Do you need Offerors to submit multiple years’ worth of cost, to cover the entire term of the contract?
- **Consider how the cost is to be evaluated.** Is the Cost Evaluation Factor in Section V a formula? If so, be clear about which cost from this Appendix will be used in the formula.
  - EXAMPLE: If the Cost Response Form requires a four-year detailed budget, you might specify that the cost to be used in the corresponding Evaluation Factor formula will be the total of all four budget years (i.e. TotalYear1 + TotalYear2 + TotalYear3 + TotalYear4).
    - Keep in mind, using only one year of a multi-year cost in the Evaluation Factor formula may result in an Offeror providing better pricing in that year, but subsequent years may increase sharply because they’re not being included in the evaluation of cost.
- **If you’re having difficulty** determining how cost should be submitted, consider how cost has been submitted on prior invoices, how invoices are submitted in the respective industry, and/or what the funding requires.
  - EXAMPLE: If prior invoice cost has been an hourly rate multiplied by the number of service hours, a simple space for an hourly rate may be sufficient to meet your needs.

**Remember! If the goods or services are not included in the Offeror’s proposal, they cannot be added later!**
