efficiency improvements.

[Organic Markets Development Grant](#)

Supports the development of new and expanded organic markets by providing additional resources for businesses transitioning to organic or initiating new organic production and processing capacity. **Deadline: July 11.**

[DOE Boost Platform](#)

Companies who will investigate and build new ventures around technologies drawn from the U.S. Department of Energy (DOE) laboratories are encouraged to apply. **Deadline: June 30.**

This Week's Highlight:

New Mexico Small Business Assistance Program

The New Mexico Small Business Assistance Program at the Arrowhead Center provides New Mexico small businesses facing technical challenges access to the unique expertise and capabilities of Los Alamos and Sandia National Laboratories.

At no cost to the business, small businesses can seek assistance from lab scientists and engineers to solve challenges and overcome barriers to company success.

Community Resources

[Community Connectors Grants](#)

Capacity-building grant of up to \$130,000 to advance locally driven projects that reconnect communities separated or harmed by transportation infrastructure. Selected teams will also receive customized technical assistance and participate in a learning exchange program. **Deadline: July 15.**

[Historic Preservation Fund - Underrepresented Communities Grants](#)

Surveys and inventories of historic properties associated with communities underrepresented in the National Register. Projects must result in the submission of a new or amended nomination to the National Register of Historic Places to include underrepresented communities. **Deadline: July 18.**

[JustPax Fund](#)

Provides financial and logistical support to individuals and organizations working for effective change in the realm of gender justice, environmental justice, and/or economic justice. **Deadline: August 1.**

[Water & Waste Disposal Grants to Alleviate Health Risks on Tribal Lands and Colonias in New Mexico](#)

This program provides low-income communities, which face significant health risks, access to safe, reliable, drinking water and waste disposal facilities and services.

[Community Agriculture Grants](#)

The goal of this grant is to encourage and promote conservation planning and conservation practices in urban, suburban, and other small-scale type agricultural operations. **Deadline: July 7.**

[Rural Economic Development Loan and Grant](#)

USDA provides zero-interest loans to local utilities which are passed through to local businesses/ultimate recipients for projects that will create and retain employment in rural areas. The ultimate recipients repay the lending utility directly. The utility is responsible for repayment to USDA.

\$2,000,000 award ceiling. **Deadline: June 30.**

Rural Microentrepreneur Assistance Program

Provides loans and grants to Microenterprise Development Organizations (MDOs) to help microenterprise start up and grow through a Rural Microloan Revolving Fund. Provides training and technical assistance to microloan borrowers and micro entrepreneurs. **Deadline June 30.**

The Rural Community Development Initiative

This grant program supports organizations that are seeking to provide a program of financial and technical assistance to recipients to develop their capacity and ability to undertake projects related to housing, community facilities, or community and economic development. **Deadline: June 28.**

Rural Cooperative Development Grant

The grant aims to improve the economic condition of rural areas by helping individuals and businesses start, expand, or improve rural cooperatives and other mutually owned businesses through Cooperative Development Centers. Eligible entities include nonprofits and institutions of higher learning. **Deadline: June 26.**
