[Hyperspace Challenge](#)

The U.S. Space Force's Space Rapid Capabilities Office is looking for companies with proven track records and mature technologies to help protect space assets from threats.

[Renewable Energy Systems and Energy Efficiency Program](#)

Guaranteed loan financing and grant funding to agricultural producers and rural small businesses for renewable energy systems or energy efficiency improvements.

This Week's Highlight: Creative Industry Division Opportunities

Request for Proposals: Creative Industries Division Study

EDD is soliciting proposals from a qualified organization or person to develop a **Creative Industries Division Study**.

EDD seeks a contractor to work with its team to develop a statewide plan for the Creative Industries Division that includes viable program models, implementation partners, projected budgets, and an analysis of creative industry opportunities within the state.

Submit questions to Shani.Harvie@edd.nm.gov

Call for Projects: Creative Industries Division

EDD announces a Call for Projects to provide funding for local government projects and programs that demonstrate the potential to stimulate community or economic development through creative industries.

Funds may be awarded in the form of an IGA (Intergovernmental Agreement) to a county, municipality, or other political subdivision of the state, an Indian nation, or a federally/state recognized Tribe or pueblo.

Submit questions to Lucas.Pedraza@edd.nm.gov

- Deadline for both the CFP and RFP: **August 21, 2023**
- [For more information, visit the Creative Industries webpage](#)

Community Resources

[New Mexico Outdoor Equity Fund](#)

Supports transformative outdoor experiences that foster stewardship and respect for New Mexico's lands, waters, and cultural heritage. Applicants must plan to engage low-income youth in nature-based outdoor recreation activities, serve a population where at least 40% are low-income youth, and include some of type climate/environment education plan. **Deadline: December 31.**

[Outdoor Recreation Trails+ Grant](#)

Invests in conservation-minded shovel-ready projects that show demonstrable benefit to the local community, either by attracting/retaining residents or attracting visitors. The project must be open for public use (projects on Tribal lands do not have to be open to the public but should be open to Tribal members). Join the August 23 virtual meeting at 5pm. **Deadline: Open until all funds are expended, apply early.**

[The Rural Healthcare Delivery Fund](#)

Defrays operating losses, including rural health care provider or rural health care facility startup costs incurred in providing new or expanded health services. Informational webinars on August 17 and 18. **Applications accepted from August 21- October 6.**

New Mexico WIOA State Plan Public Input Forums

Two-hour virtual forums for the public to gain feedback on how the state can better support people in their pursuit of meaningful education, training, and employment opportunities. Participant feedback will inform the development of New Mexico's 2024-2028 State Plan for Workforce Development.

- [Session 1: August 14 at 11am](#)
 - [Session 2: August 15 at 9am](#)
 - [Session 3: August 16 at 3pm](#)
 - [Session 4: August 17 at 2pm](#)
-

[Arts & The Military 2024 Mini Grants](#)

Funding opportunity for arts and veteran-focused organizations to create or expand opportunities for veterans and active-duty service members to engage with the arts. Proposed projects should serve military and veteran audiences. **Deadline: October 6.**

[Empowering Rural America Program](#)

Provides rural utilities services with loan and grant funds to achieve the greatest reduction in greenhouse gas emissions while advancing the long-term resiliency, reliability, and affordability of rural electric systems. **Deadline: September 15.**

[Energy Improvement in Rural or Remote Areas Fixed Award Grant Program](#)

Provides financial investment, technical assistance, and other resources to advance clean energy demonstrations and energy solutions that benefit rural and remote communities. **Deadline: October 12.**

[Community Wildfire Defense Grant](#)

Assists at-risk local communities and Indian Tribes with planning and mitigating against the risk created by wildfire. **Deadline: Oct. 3.**

[EDA Public Works and Economic Adjustment Assistance Program](#)

Designed to meet the full range of communities' and regions' economic development needs from planning and technical assistance to construction of infrastructure. **Applications accepted year round.**

[Single Family Housing Section 504 Home Repair Loans and Grants in Presidentially Declared Disaster Areas \(PDDAs\) Pilot Program](#)

The Rural Housing Service is issuing this notification to waive four regulatory requirements for the pilot program. The Agency's intention is to evaluate the existing regulations and remove regulatory barriers to assist eligible applicants in PDDAs to improve the program usage for very-low-income homeowners that are seeking to repair their damaged homes. This notification briefly discusses the four waivers and provides contact information for additional details about the pilot.

[Underserved and Indigenous Community Microgrids](#)

Specifically focused to conduct research, development and demonstrations (RD&D) to develop and implement replicable microgrid solutions for underserved and Indigenous communities in remote and islanded regions throughout the US. **Deadline: September 15.**

[Solar for All](#)

Awards up to 60 grants to states, territories, Tribal governments, municipalities, and nonprofits to expand the number of low-income and disadvantaged communities primed for distributed solar investment. Grantees will use funds to expand existing low-income solar programs or design and deploy new Solar for All programs nationwide. **Deadline: September 26.**

[Neighborhood Access and Equity Program](#)

Supports economically disadvantaged or underserved communities in planning, capital construction activities, and regional partnerships that aim to restore community connectivity through the removal, retrofit, mitigation, or replacement of highways, roadways, or other infrastructure facilities that create barriers to mobility, access, or economic development. **Deadline: September 28.**

[Affordable Connectivity Program](#)

Provides a discount of up to \$30 per month toward internet service for eligible households and up to \$75 per month for households on qualifying Tribal lands. Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers if they contribute more than \$10 and less than \$50 toward the purchase price.
