

# Guiding Questions Re: Input on Statewide Strategic Plan

Sustainable Economy Advisory Council – 2024

*Please feel free to submit written answers to any of the following questions if it is more convenient or comfortable for you. Answer as many or as few as you wish. Thank you for your time and feedback.*

## Target Sector

1. Do you have any thoughts about this target sector?
2. Does this target sector feel relevant and meaningful to you?
3. Based on your understanding of the priorities of your home community and/or the communities in which you primarily work, is this target sector relevant to their most pressing needs and interests?
4. Are you aware of any initiatives relevant to this target sector for potential inclusion and consideration in the Statewide Strategic Plan?
5. When it comes to this particular target sector, which sorts of programs and initiatives would you be hopeful to see? Do you have any relevant policy ideas?
6. Do you have any comments on the State Plan's treatment of this target sector in the most recent iteration of the plan?
7. With regards to this target sector, which state agency partners are you most eager to work with? From which agencies would you like to see more engagement, and what type of engagement are you seeking?
8. Are there any technical questions you need answered with regard to this target sector? Are there any resources or follow-on research items that the EDD team can pursue to support your understanding of and input on this target sector?

## Other Relevant Topics

1. What would you like to talk about in this SEAC meeting?
2. What are your main priorities for the SEAC?
3. Which topics are missing in the Statewide Strategic Plan? How would you like to see them addressed?
4. Which topics feel most pressing and urgent to you and/or your home community based on your understanding of its needs?
5. What are the main themes in your work and/or in your community? Do you feel that those themes are being adequately addressed in the Statewide Strategic plan and other New Mexico state government initiatives?
6. Are there additional partners with whom you recommend we speak to gather input on the Statewide Strategic Plan?
7. What outcomes do you desire from the State Plan process?

## Host Community

1. Are there any particularly important themes to address given our meeting location today?
2. What are the regional and/or local issues impacting this place?
3. Are there other local/regional partners whose input would be relevant to this discussion?

## Public Input

1. For the members of the public who are present, do you have any comments to add? Your comments can pertain to the target sector(s) we are discussing today or any other topics you would like to discuss.
2. Which priorities or ideas do you hope to see reflected in the Statewide Strategic Plan?
