

Introduction to Venture Capital and Access to Capital

These workshops are designed to empower business owners in our community and help secure funding for your business ventures! We'll dive into important topics like business structures, finding capital, smart financing strategies, funding sources, connecting with potential investors, and closing deals like a pro.

We will also learn about venture capital and how to gain access to the money you need to take your business to the next level. Don't miss out on this opportunity to network with industry professionals and fellow entrepreneurs. Lunch will be provided! See you there!
