Spaceport America Open House Set for Sunday, Sept. 21, 2025

[2025 Spaceport America Open House Information](#)

LAS CRUCES, N.M. (Sunday, Sept. 14, 2025) – Spaceport America will be hosting a free open house event on Sunday, Sept. 21, 2025, from 9:00 a.m.-2:00 p.m.

Attendees of all ages are welcome to visit the world’s first purpose-built commercial spaceport to learn about the site, its tenants, and its operations.

Vendors (food and non-food), static aircraft displays, exhibitors, STEM-related activities, and guest presenters including NASA astronaut Wendy Lawrence, longtime NASA employee Michelle Lucas, New Mexico Lieutenant Governor Howie Morales, former Johnson Space Center flight director Ginger Kerrick, and Virgin Galactic pilot Jameel Janjua will be on hand for the open house.

To learn more about Spaceport America’s 2025 open house and to register as an attendee, vendor, or exhibitor, visit the link above.

About Spaceport America

[Spaceport America](#) is the first purpose-built commercial spaceport in the world. The FAA-licensed launch complex, situated on 18,000 acres adjacent to the U.S. Army White Sands Missile Range in southern New Mexico, has a rocket-friendly environment of 6,000 square miles of restricted airspace, low population density, a 12,000-foot by 200-foot runway, vertical launch complexes, and about 340 days of sunshine and low humidity.

Some of the most respected companies in the commercial space industry are tenants at Spaceport America: [Virgin Galactic](#), [HAPSMobile/ AeroVironment](#), [UP Aerospace](#), [Prismatic Ltd.](#), [Swift Engineering](#), [Isotropic](#), [ISC/Sirius Technologies](#), and [SpinLaunch](#). Additional customers Spaceport America partners with include the [United States Air Force Thunderbirds](#), [Venus Aerospace](#), and [Precision AI](#).
