ABOUT HFFF

The New Mexico Healthy Food Financing Fund supports the intersection of economic development in New Mexico's food/agricultural supply chain with increased food security for New Mexicans. HFFF is accepting applications to invest in food retailers, food processors, food producers, food hub/distributors and climate-smart pre-production projects.

PROJECT PRIORITY AREAS:

1. Expand food access in under-resourced communities
2. Create & retain food/ag supply chain jobs
3. Strengthen local market access for small & mid-scale producers
4. Improve storage, aggregation & distribution networks
5. Support regenerative agricultural practices
